# Six Core Supply Verticals

**Medical Supplies &  
IV Solutions**

ANVISA & COFEPRIS Approved Sources

**Fuel & Energy  
Resources**

**Ammunition &  
Defense Equipment**

**Cybersecurity  
Solutions**

**AI Translation  
Technology**

**Diagnostics &  
Lab Equipment**

*Initial supply capability spans all listed categories via strategic supplier and partner network*

# Pharmaceutical IV Infusions & Solutions

Packaged in tri-laminated Soluflex bags — Medical Grade, PVC-DEHP Free

- **Fluconazole (2mg/mL)**

100mL

- **Levofloxacin Hemihydrate (5mg/mL)**

150mL / 750mL

- **Linezolid (2mg/mL)**

300mL

- **Ketoprofen (1mg/mL)**

100mL

- **Granisetron HCl (0.06mg/mL)**

50mL

- **Ciprofloxacin / KINOF (2mg/mL)**

100mL

- **Mannitol 20%**

250mL / 500mL

- **Sodium Chloride 0.9%**

250mL / 500mL / 1000mL

- **Ringer's Solution**

1000mL

- **Water for Injection**

1000mL / 3mL / 5mL / 10mL

- **Glucose 5% / 10% / 50%**

Multiple sizes (incl. PEBD bottles)

- **Potassium Chloride (various %)**

10mL

- **Magnesium Sulfate (500mg/mL)**

10mL

Regulatory Approvals: ANVISA (Brazil)

COFEPRIS (Mexico)

# HIV Antiretrovirals & Specialty Medications

WHO-aligned treatment regimens for national health programs and institutional supply

## Dolutegravir

50mg

30 tablets/bottle

## Tenofovir + Lamivudine

300+300mg

30 tablets/bottle

## Tenofovir + Emtricitabine

300+200mg

30 tablets/bottle

## Tenofovir

300mg

60 bottle packages

## Sofosbuvir

400mg (Hepatitis C)

28 tablets/bottle

## Daclatasvir

60mg

28 tablets/bottle

## Raloxifene

60mg

28 film-coated tablets

*Available for bulk national procurement*

✓ Regulatory Approvals: ANVISA (Brazil) | COFEPRIS (Mexico)

# FDA CE Certified Syringes & Needles

## Conventional Syringes (2-Part & 3-Part)

---

- **Sizes Available**  
1ml, 2ml, 3ml, 5ml, 10ml, 20ml
- **Connection Types**  
Luer Slip & Luer Lock  
With/Without Needle
- **Material Specification**  
Medical-grade high-transparency PP

## Specialty Syringes

---

- **Auto-Disable (AD) Fixed Dose**  
0.05ml, 0.5ml (Immunization)
- **Retractable Safety Self-Destructive**  
0.5ml to 20ml
- **Reuse Prevention (RUP)**  
2ml, 5ml, 10ml
- **Insulin Syringes (U-40/U-100)**  
0.3ml, 0.5ml, 1ml

## Hypodermic Needles

---

- **Gauge Sizes**  
16G – 31G
- **Lengths**  
13mm – 38mm
- **Standard Compliance**  
ISO 7864
- **Material**  
Stainless Steel

✓ Regulatory Approvals: **ANVISA (Brazil)** | **COFEPRIS (Mexico)**

# Medical Devices, Catheters & Airway Management

## IV & Infusion

---

- **IV Cannula with Wings & Port**  
14G to 26G
- **Infusion Sets**  
Vented / Non-Vented / Burette / Y-type
- **Blood Transfusion Sets**  
Single / Double Chamber
- **Scalp Vein Sets (Butterfly)**  
18G to 27G

## Catheters

---

- **Foley Catheter (2-way/3-way)**  
Latex & 100% Silicone
- **Suction Catheter**
- **Feeding Tube**
- **Ryles Tube**
- **Nelaton Catheter**
- **Stomach Tube**

## Airway Management

---

- **Endotracheal Tubes**  
Oral / Nasal, Reinforced, RAE
- **Guedel Airway**
- **Yankauer Handle**  
with Suction Tube
- **Oxygen & Nebulizer Masks**

## Other Devices

---

- **Urine Collection Bags**  
Adult / Pediatric / Leg Bag
- **Vaginal Speculum**  
XS - L
- **Umbilical Cord Clamps**
- **Surgical Blades & Scalpels**

# Rapid Diagnostics, Lab Apparatus & Wound Care

## Rapid Test Kits

- **Malaria Test Kit**
- **HIV Test Kit**  
Standard & Solo
- **Syphilis Test Kit**
- **Hepatitis B Test Kit**
- **Pregnancy Test**  
Strip / Cassette / Midstream
- **LH Ovulation Test**
- **Anti-HIV (1+2) Antigen Test**

## Lab Apparatus

- **Stool/Urine Containers**
- **Pipette Tips**  
200µL / 1000µL
- **Petri Dishes**  
90mm
- **Cryovials**  
2mL
- **Microcentrifuge Tubes**  
1.5mL
- **Vacuum Blood Collection Tubes**  
Full range
- **Blood Lancets**  
Plastic Twist, Stainless Steel, Safety

## Wound Care & Bandages

- **Paraffin & Sterile Gauze Sponges**
- **Gauze Bandages & Rolls**
- **Cotton Wool**
- **Elastic Crepe & High Elastic Bandages**
- **Plaster of Paris (P.O.P.) Bandage**
- **Medical Tapes**  
Zinc Oxide, Silk, PE, Non-Woven, Kinesiology
- **Latex Surgical & Examination Gloves**
- **Suture Materials**  
Absorbable & Non-Absorbable

✓ Regulatory Approvals: ANVISA (Brazil) | COFEPRIS (Mexico)

# Regulatory Compliance & Certifications

Our medical supply sources meet the highest international regulatory standards

## ANVISA

Brazil's National Health Surveillance Agency

### Agência Nacional de Vigilância Sanitária

- ✓ All pharmaceutical and medical device suppliers hold valid ANVISA registration
- ✓ Ensures product safety, efficacy, and quality control
- ✓ Compliance with Brazilian and international health standards
- ✓ Rigorous post-market surveillance and pharmacovigilance systems

## COFEPRIS

Mexico's Federal Commission for Sanitary Risks

### Comisión Federal para la Protección contra Riesgos Sanitarios

- ✓ Certified pharmaceutical and medical device suppliers
- ✓ Full compliance with Mexican federal health regulations
- ✓ Rigorous product quality and safety oversight
- ✓ Adherence to Good Manufacturing Practices (GMP) standards

### Additional Certifications:

FDA CE Certified Products

WHO-Aligned Procurement Standards

International Quality-Assured Supply Chains

ISO 13485 Medical Device Standards

# Fuel, Energy & Coal Resources

Reliable, Large-Scale Energy Supply for Nations, Militaries & Infrastructure

## Petroleum & Diesel

Bulk international supply for government and military fleets

## Aviation Fuel (Jet A-1 / JP-8)

Certified military and commercial grade

## Crude Oil & Refined Products

Strategic reserves and national energy procurement

## Coal Supply

Bulk thermal and coking coal for national energy grids, power generation plants, and industrial operations. Strategic large-volume supply for government and institutional energy needs

## Lubricants & Industrial Oils

Fleet maintenance and industrial operations

*Strategically positioned with trusted global energy suppliers and logistics partners*

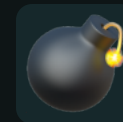

# Ammunition & Defense Equipment

Supplying Authorized Governments, Defense Forces & Security Organizations

## Small Arms Ammunition

Pistol, rifle, and carbine calibers for law enforcement and military

## Medium Caliber Systems

Heavy machine gun and crew-served weapon ammunition

## Tactical Defense Supplies

Protective gear, tactical equipment, field supplies

## Compliance & Authorization

All transactions conducted in full compliance with international arms regulations and end-user certification requirements

All defense procurement is subject to applicable international regulations, end-user certificates, and government authorization protocols.

# Custom-Engineered Cybersecurity Solutions

Built Specifically to Meet Your Organization's Demands

## Tailored Network Security

Custom-designed firewalls, intrusion detection, and endpoint protection architected around your specific infrastructure and threat landscape

## Government & Defense-Grade Solutions

Bespoke cybersecurity frameworks built for the unique requirements of government agencies, military organizations, and critical institutions

## Critical Infrastructure Protection

Purpose-built security for energy grids, health networks, financial systems, and national defense infrastructure

## Custom Threat Intelligence & Monitoring

Tailored real-time monitoring, threat response, and intelligence gathering calibrated to your operational environment

Every cybersecurity solution we deliver is uniquely engineered — no off-the-shelf packages. We assess, design, and deploy security systems that precisely match your organization's size, sensitivity, and operational requirements.

*Partnered with leading cybersecurity providers for fully custom, scalable, and demand-specific deployments*

# AI-Powered Handheld Translation Devices

Breaking Language Barriers in Diplomacy, Defense & Healthcare

## Real-Time AI Translation

Instant, accurate translation across 100+ languages

## Compact Handheld Design

Lightweight, durable, field-ready devices

## Voice & Text Input

Multi-modal input for any environment

## Extended Battery Life

Built for extended field and diplomatic deployments

## Encrypted Communication

Secure, confidential translation for sensitive operations

## Healthcare & Diplomatic Use

Ideal for field hospitals, embassies, and international operations

*Ideal for government delegations, military operations, humanitarian missions, and hospital networks*

# Why Partner With BION Solutions LLC?

## Global Reach

Strategic supplier network spanning multiple continents

## Quality Assured

ANVISA & COFEPRIS approved medical sources. FDA CE certified products and vetted supply chains.

## Bulk Procurement Ready

Built for large-scale, high-volume orders

## Partnership-Driven

Long-term institutional relationships

## Rapid Deployment

Efficient logistics for time-sensitive government needs

## Full Compliance

Adherence to all international procurement regulations
